" "

The Dep. Secy. Gen. observed on the petit
of Lieut. Chisholm that if Your Excellency

NO

pleases to grant lands to him, they may be
land out for him next summer in the upper
parts of the Province

" 10.22.88 Chisholm of the Bay of Quinte represents
that he applied in 1785 to Lt. Gov Hamilton
for some of the waste lands of the Crown to
which he was entitled in consequence of

L. B. O. (cont'd)

to His Majesty in different capacities; that Mr. Hamilton permitted him to look out for a settle-
 to his liking; that he took possession of 400 acres
 of the waste land of the Crown in the 9th Township
 near the head of the Bay of Quinte, but as those
 lands could not be laid out when he settled
 himself there, the memorialist obtained the
 Dep. Secy.-Gen's. promise that he should have
 the quiet possession of the same — a like
 promise was all the security that every other
 person had who set down on unsurveyed
 lands, all of whom except ~~himself~~^{the} memorialist
 now hold and possess the several quotas
 they had chosen. And he sets forth that
 after he had been at great expense in making
 a settlement on the tract he had taken up
 Mr. Collins granted the best half of it to a
 Mr. Vanderheyden. The petitioner concludes
 by praying that he may have his land
 back again, or in lieu of it No 37 in Sydney
 on the east side of lot 11 in the 9th Township.

- ¶ The Deputy Surveyor-General, Mr. Collins,
 informs the Committee that the petitioner
 has drawn 250 acres at a place called the
 little lake, & 100 ac. in Thurlow, which is
 more than he is entitled to as a reduced
 Sergeant which Mr. Collins understood him
 to be.

Ochs 1.13.90

The Committee next examined the paper
 or report now marked C, intitled "A list
 of Petitions from persons who having never
 borne Commissions claim locations of
 land as Officers, or as rewards for services

L.B.O. (contd)

beyond the power of the Board to grant, presented between the 17th June & the 9th Sept, 1789, and having considered the petitions addressed to Your Lordship, which were transmitted with the list and referred to the Land Committee, they humbly observe on the claim of Alexander Chisholm that he does not seem entitled to be put on the footing of a Captain of the 84th which he prays. The Deputy Surv. Gen. does not recollect to have seen an order from Lt. Gov. Hamilton to grant Mr. Chisholm a captain's allowance of land as is stated in his petition. Mr. Collins informs the committee that this petitioner received lot No. 3 in the 1st conc. & lot No 3 in the 2nd conc. of Camden which, together with 200 ac. granted by the Board at Mecklenburg, make 600 ac.

Granted an additional quantity to make in all 700 ac.

Quebec Montreal Oct 20 1787

251. Evidence on the Claim of Alex. Chisholm, late of Albany County, N.Y. Province.

Claimant Sworn:

Says that he is a native of Scotland. He came to America in 1775, as a settler, and in 1775 he lived in the German Flatts, above Albany. In Sept., 1775 he came to Canada finding it inconvenient to live in the Country. During the winter of 1775-6 he lived at-

U. E. L. Claims cont'd.

Quebec, and served in the British Militia. In the spring he went with the army to Crown Point serving as a Volunteer.

In the fall of 1776 he commenced sutler for the Army, at Chambly, until Gen. Burgoyne went across the lakes, with whom he went as sutler to Skeneborough, where Gen. Burgoyne offered him the appointment of Commissary of Fresh Provisions for the Army, which he accepted of on condition that his goods were secured to him until the end of the Campaign.

He served with the Army until the Convention, when he returned to Canada, and has lived in this Province ever since.

He resides at the Bay of Kenty.

Claims goods to the amount of \$1,094.19.6 H.C., which were lodged by order of Gen. Burgoyne in the Navy Stores at Secunderago, and were taken from these stores in 1797 by a Party of Rebels, who attempted to surprise the Fort.

Claimt. is desired to produce a letter from Gen. Burgoyne's, saying that he should be answerable for the goods, as the public service required Claimt's service.

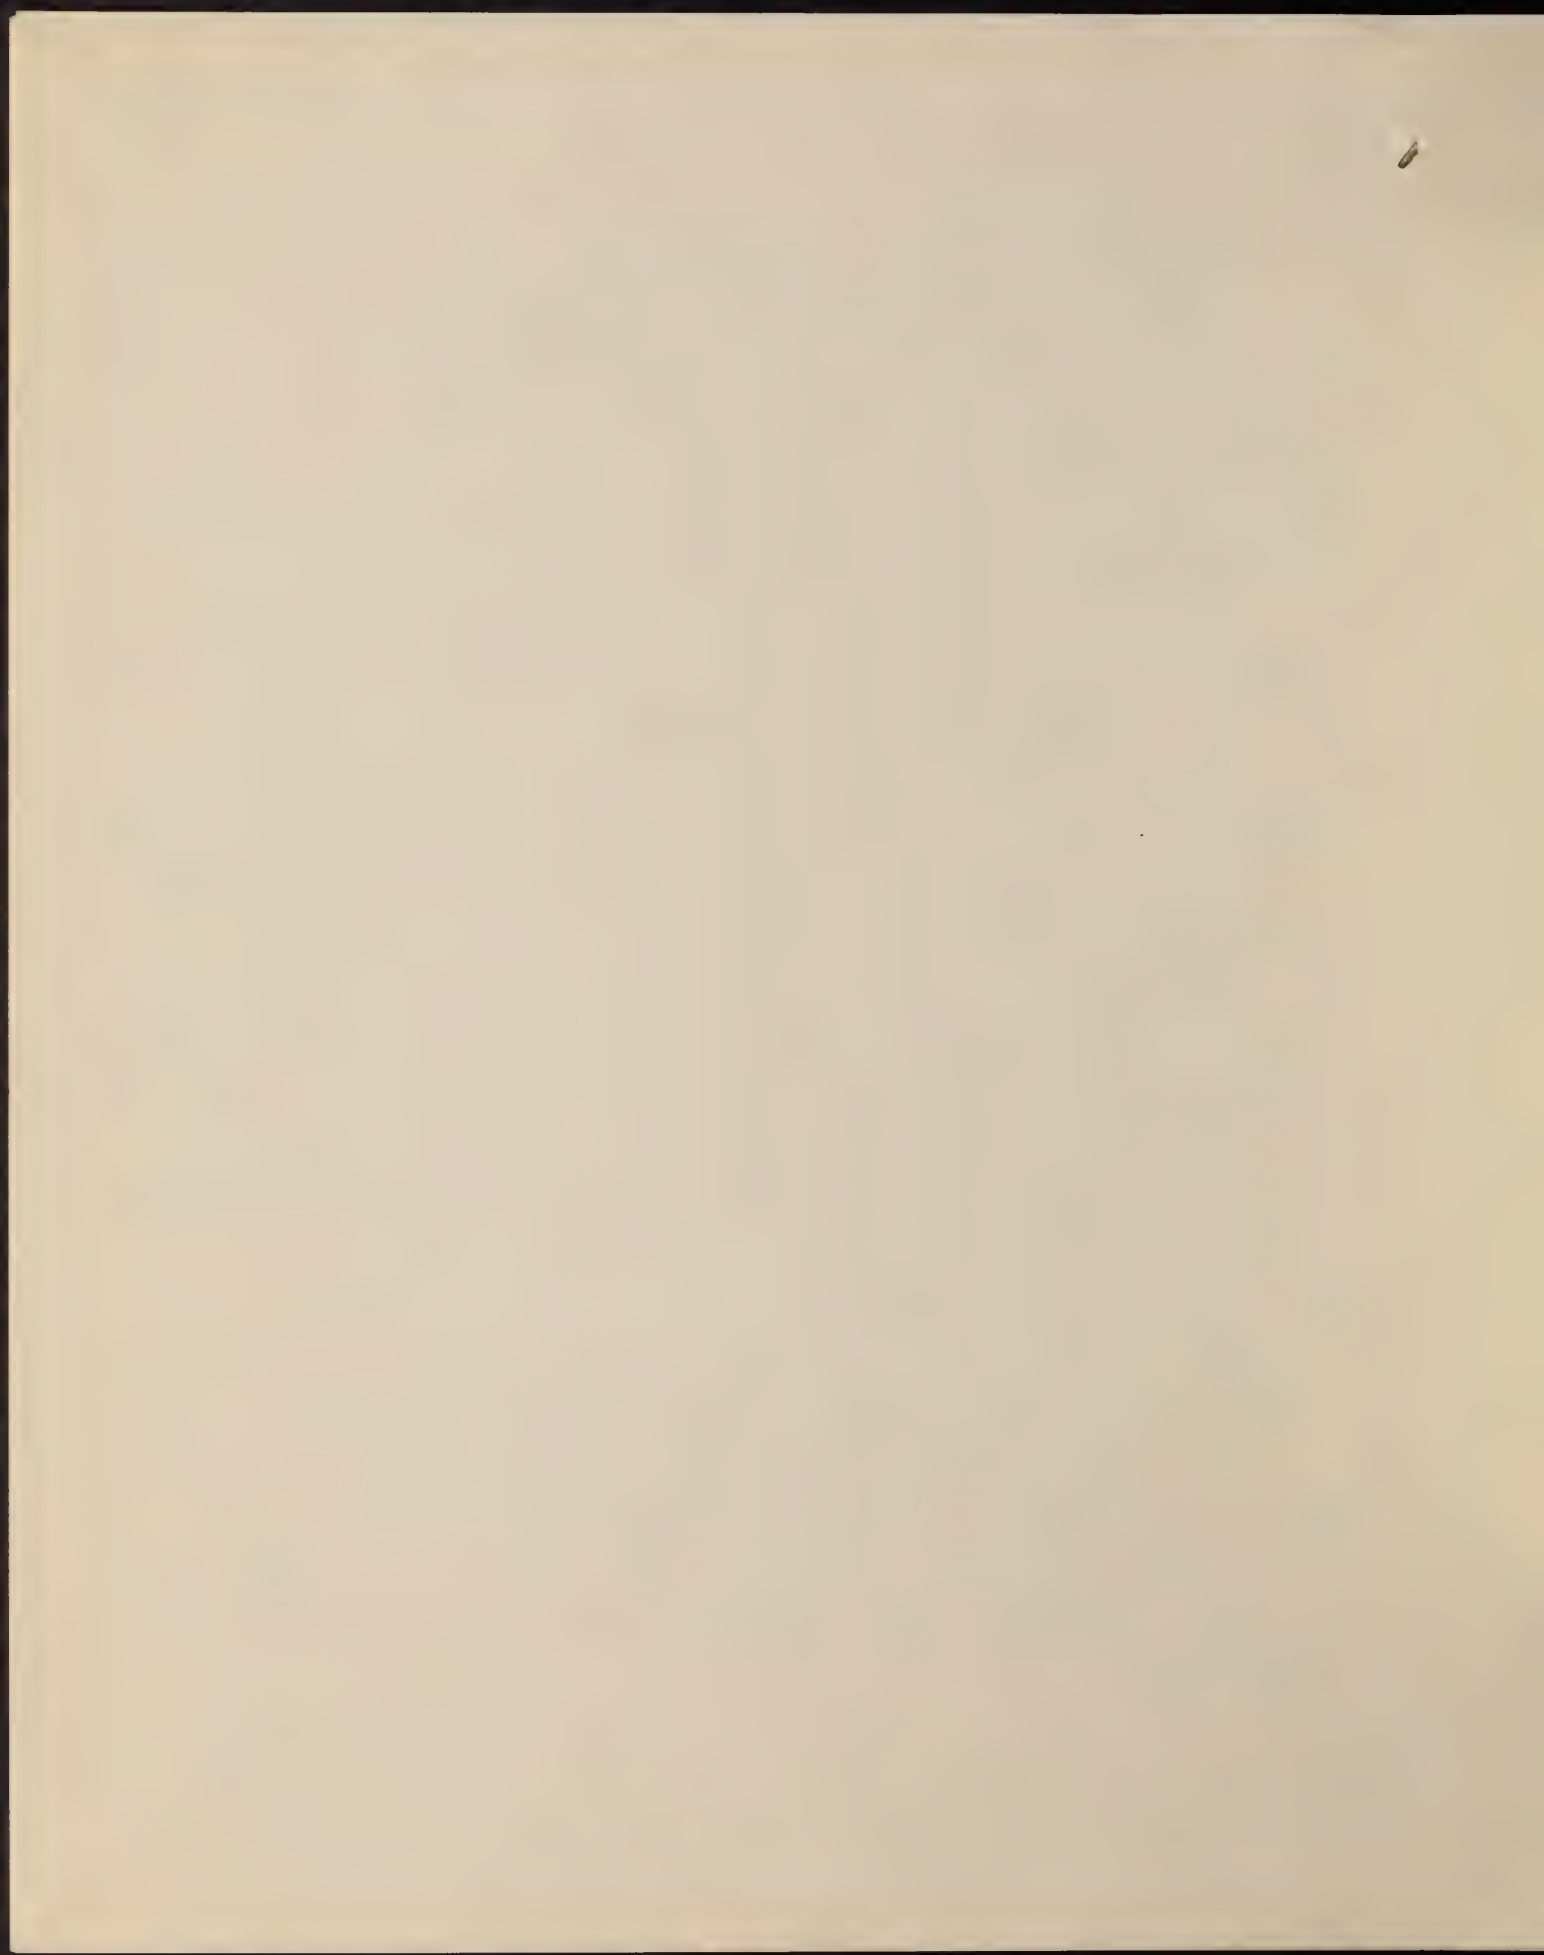

Oct²⁵ Claimt. produced a Memorial saying that his zeal for the service made him leave his goods.

Oct-25 Angus McBean Sworn:

He knew Claimt. before and during the War. He was a loyal Man, and at the Siege of Quebec with Gen. Carleton.

He had a great quantity of goods at Secunderago in 1777. Believes that they were destroyed by the Americans.

He left them when he went to Skeneboro, as a sutler. He was then appointed Commissary of Fresh Provisions, a good employment.
